

# Corporate Group

Sullivan & Worcester LLP's Corporate Group integrates and delivers comprehensive corporate legal services to domestic and international organizations in all stages of development. For mature multi-billion dollar corporations, privately held companies and start-ups alike, our skilled lawyers have handled numerous highly complex transactions. A number of our corporate practices have been recognized in law firm surveys and rankings, such as *The American Lawyer Corporate Scorecard*, *The Legal 500 US*, *PLC Which Lawyer?* and *The Private Equity Analyst*.

Our work for clients ranges from mergers and acquisitions and public securities offerings, to joint ventures/partnerships and shareholder agreements, to private equity and venture capital investments, to public and private debt financings, to general corporate and commercial agreements and corporate governance. In collaboration with our highly skilled tax, real estate and intellectual property lawyers, our Corporate Group finds customized solutions to help our clients meet their business objectives. Our lawyers work together in small, multi-disciplinary teams, emphasizing close client-partner contact and collaboration.

## International Resources

With a successful joint venture with an Israeli law firm and strong collaborative relationships with law firms in countries, such as the United Kingdom, Italy, Ireland, India and China, the firm's Corporate Group has a proven track record of closing a wide range of cross-border transactions. The firm also has foreign legal specialists qualified to practice in both France and Ireland resident in our offices.
